## India's first smog tower inaugurated in Connaught Place, Delhi

- **India's first smog tower has been set up in Connaught Place, Delhi.** It will purify 1,000 cubic metres of air per second within a radius of around 1 km. Smog towers are large towers built with the aim of purifying the air.
- The smog tower was inaugurated by the Chief Minister of Delhi, Arvind Kejriwal. The tower has been set up as a pilot project and if the pilot test is successful, more such smog towers will be set up in Delhi. The tower has been built by **Tata Projects Limited (TPL)**, with technical assistance from IIT Bombay and in collaboration with IIT Delhi.

## IIT Madras develops 'NeoBolt'- India's first indigenous motorised wheelchair vehicle

- **IIT Madras** has developed India's first indigenous motorized wheelchair vehicle named '**NeoBolt**', which can be used not only on roads but even on uneven terrains. It has a maximum speed of 25 kmph. It is powered by a Lithium-Ion Battery and can travel up to 25 km per charge.

## J&K Government activates online grievance redressal portal for Kashmiri migrants

- The government of **Jammu and Kashmir**, has launched an **online grievance redressal portal to address the grievances of the Kashmiri migrants**, becoming the first UT to put in place such portal for migrants.
- The portal can be accessed at JK government's official website: '**Relief & Rehabilitation (M)**'

([www.jkmigrantrelief.nic.in](http://www.jkmigrantrelief.nic.in)).

- The subject-matter of the grievances may range from issues and concerns related to the land and properties of the migrants of J&K, including correction of encroachments, trespassing and alienation by way of fraud or distress, etc.
- All district magistrates will be responsible to dispose off the property-related grievances in a fixed time frame under the Public Services Guarantee Act, 2011.
- Jammu & Kashmir is the first Union Territory to have district-level grievance offices with the central grievance portal to ensure prompt action.

## Finance Minister launches the National Monetisation Pipeline worth Rs 6 lakh crore

- Union Minister for Finance and Corporate Affairs, Smt Nirmala Sitharaman, today launched the asset monetisation pipeline of Central ministries and public sector entities: '**National Monetisation Pipeline**'.

# Cross & Climb, Rohtak

The National Monetisation Pipeline (NMP) lists out assets and asset classes, under various infrastructure ministries, which will be monetised over a period of time. **Which means assets will be monetised.** Asset Monetisation, means a limited period license/ lease of an asset, owned by the government or public authority, to a private sector entity for an upfront or periodic consideration.

- **Developed by?:** The pipeline has been developed by **NITI Aayog**, in consultation with infrastructure line ministries, based on the mandate for 'Asset Monetisation' under Union Budget 2021-22.
- **Total Value:** NMP estimates aggregate monetisation potential of **Rs 6.0 lakh crores** through core assets of the Central Government, over a four-year period, from FY 2022 to FY 2025.
- **Top Sector:** The top 5 sectors capture about 83% of the aggregate pipeline value. These top 5 sectors include- **Roads (27%)** followed by Railways (25%), Power (15%), oil & gas pipelines (8%) and Telecom (6%).

## Finance minister launches 'Ubharte Sitaare Fund' for export-oriented MSMEs
